PROFESSIONAL SUMMARY

Bookkeeping and accounting systems consultant with 9+ years of full-cycle finance operations for eCommerce, SaaS, manufacturing, service and multi-entity businesses, with clients in the United States, India, New Zealand and Europe. I set up, clean up and migrate accounting systems: Chart of Accounts design, opening balances, integrations and the month-end close that sits on top, then document it in SOPs so client teams can run it themselves. Certified in QuickBooks Online (Level 2), Zoho Books and Xero, and hands-on across Intuit Enterprise Suite, Sage Intacct and Oracle NetSuite.

CORE COMPETENCIES

- Full-Cycle Bookkeeping & Month-End Close
- Multi-Entity & Intercompany Accounting
- Inventory Accounting: BOMs, COGS, Landed Costs
- SaaS Revenue Recognition & Deferred Revenue
- Budgeting & Forecasting
- ERP Implementation & Data Migration
- eCommerce Payout Reconciliation (A2X, MyWorks)
- AR/AP Management & Cash Applications
- Financial Reporting, MIS & Dashboards
- SOP Documentation & Process Improvement

PROFESSIONAL EXPERIENCE

Client Ops Specialist · Renocrew Solutions

Nov 2025 – Present

- Own end-to-end accounting operations and day-to-day relationships for a portfolio of eCommerce, SaaS, manufacturing and multi-entity clients, as their primary point of contact.
- Run month-end close: journal entries, accruals, prepayments and balance sheet reconciliations in QuickBooks Online, Sage Intacct and Zoho Books.
- Manage cash positions, intercompany due-to/due-from accounts and consolidated reporting; set up Shopify payout reconciliation and inventory accounting.
- Support ERP implementations and document close procedures as SOPs so client teams can run them independently.

Client Ops Specialist · Supagigs

Jul 2025 – Oct 2025

- Delivered QuickBooks Online setups, cleanups and ongoing reconciliation for small and mid-size businesses; supported software transitions and Chart of Accounts restructuring.

Senior Executive, Finance & Accounts · Xcelerate Business Advisory

Mar 2024 – Jul 2025

- Implemented full bookkeeping setups in QuickBooks Online, Zoho Books and Sage Intacct for eCommerce, SaaS and manufacturing clients.
- Managed multi-entity structures, intercompany reconciliations and consolidated reporting; led Shopify and Amazon payout reconciliations with A2X and MyWorks.
- Built Excel financial models and MIS reporting; supported migrations from QuickBooks Desktop and Xero to cloud platforms.

Senior Executive, Finance & Accounts · Verve Advisory

Nov 2020 – Feb 2024

- Progressed from Finance Intern (2020) to Finance & Accounts Executive (2021) and Senior Executive (2022).
- Led research, evaluation and implementation of ERP and cloud accounting systems; executed books-of-accounts migrations with opening balance validation and historical reconciliation.
- Ran budgeting, financial projections, payroll and AP; built MIS reporting and streamlined client onboarding.

Account Executive · Veracious Accounting

Apr 2019 – Nov 2020

- Full-service bookkeeping for small and mid-size clients: bank reconciliations, AP/AR, payroll, monthly close and financial statements.

- Books closure and finalisation, account reconciliations, and preparation of balance sheets, income statements and cash flow statements.
